Recording

Agenda

- Start the Recording
- We will start by mentioning the project's Antitrust Policy, which you can find linked from the LF and project websites. The policy is important where multiple companies, including potential industry competitors, are participating in meetings. Please review and if you have any questions, please contact your company legal counsel. Members of the LF may contact Andrew Updegrove at the firm Gesmer Updegrove LLP, which provides legal counsel to the LF.
 - [Antitrust Policy](#)
- Agenda Bashing, Roll Call, Action Items
- General Topics
 - [Persist events in online DB during network outages](#) (15 minutes)
 - Discuss collaboration between device manager/ODIM projects and the way going forward (30 minutes)

Minutes

- Persist events in online DB during network outages

Persisting events is not part of DMTF spec. It is suggested to make this part of the DMTF spec and then taking this up.

- Discuss collaboration between device manager/ODIM projects and the way going forward (30 minutes)

This was not discussed as there was no quorum

Action Items
